If you are a Cougar or a Cougar Fan and love Golf, then this is the set for you.

A Wide-Track cart with two bottle, drink holders. The Top-Flite bag has an additional bottle/drink holder. The Bag has a WSU Cougar patch sewn on. The Club wood head covers are WSU (and new).

The Clubs are knock-offs that my friends with the originals ALL agree that these hit better and further than the originals. The Woods are replicas of Calloway Big Bertha's. The irons are Ping replicas. Woods are 1, 3 and 5. Irons are 3, 4, 5, 6, 7, 8, 9 P, S and 60 degree Lob Wedge. Putter is an INTech 5. The shoes are Nike air euro size 44.

There are several pockets on the bag. The rear one is filled with new balls (I used to lose a lot of them. ;-)

Shoe wrench, Club brush. Lots of Tees. Telescoping Ball retriever. WSU Cougar Golf
